

The following Attestation must be signed and agreed upon by all researchers gaining access to the Materials Research Laboratory – building 615.

I have read and will comply with the College of Engineering, Materials Research Laboratory COVID-19 related policies and procedures for a Stage 3 reopening:

Specifically, I will read and comply with:

1. The Lab quotas/FTE's and scheduling procedures outlined in the [Building Access Plan](#) and provided by my PI and understand that failure to follow these procedures will result in removal from Stage 3 research.
