

The 2017 Summer Intern Seminar Schedule

Please join us for the Summer Intern Seminar series featuring presentations from researchers from a variety of science fields. Please join us from 3:45 – 4:00 pm (please see locations below) for light refreshments and conversation before the event.

Date	Location and Time	Speaker	Title
June 27	TBD 4:00 – 5:00 pm	Dr. Brandt Burgess Director of Research Integrity	Ethics in Research
July 11	MRL 2053 4:00 – 5:00 pm	Dr. Julie Costa	
July 18	MRL 2053 4:00 – 5:00 pm	Prof. Samantha Daly Mechanical Engineering Dept., UCSB	Multi-scale Material Characterization: The Effect of the Microscale on Material Failure
July 25	MRL 2053 4:00 – 5:00 pm	Dr. Eoghan Dillon Applications Scientist, Anasys Instruments	Recent Advances In Nanoscale Infrared Spectroscopy
August 1	MRL 2053 4:00 – 5:00 pm	Prof. Christopher Bates Materials Dept., UCSB	Addressing Contemporary Technological Challenges with Materials Research
August 8	MSRB 1302 4:00 – 5:00 pm	Prof. Deborah Fygenon Physics Dept., UCSB	Inventing Nanoscale Instrumentation
