

## **CHEM 2C, Assignment 1, posted 4/2, due 4/9, in class**

All odd exercises in Atkins and Jones have solutions provided at the end of the book. Perform odd exercises 1.1, 1.3 ... 1.19 for yourself and verify that you have the correct answer.

For this assignment, present answers to all even problems 1.2 through 1.20. Please remember to present all steps toward the solution.
